THE VOICE OF THE HIGHLANDS

THIS WEEK'S PRESS RUN—2062

HALIBURTON, ONTARIO Thursday, November 14, 1963

Established in 1882 as the Minden Echo & Haliburton Records

Remembrance Day Services

We are not going to record that Remembrance Day was fittingly observed in Haliburton because such a statement would be in error. About two dozen members of the Legion and their band composed of 17 players and less than 100 citizens were on hand for the occasion.

The service at the cenotaph was preceded by a parade down Highland St. by the members of the Royal Canadian Legion, headed by the band.

Comrade Lloyd Coneybeare acted as master of ceremonies for the occasion. Rev. R. Carder of St. George's church conducted the call to worship.

Comrade Ross Anderson Jr., who is president of Branch 129, in a short address, expressed on behalf of the members of the Legion, thanks to those who had taken time off to be present in order to participate in this service of remembrance. Last Post and Reveille were sounded by Comrade Vance English.

Wreathes were then placed at the foot of the cenotaph by the local Legion branch and those representing different levels of government, schools and other organizations.

The names of those brave men who gave their all in freedom's cause were read by Comrade Geo. Brennan.

Rev. C. Petrie of the United church read a portion of scripture. Then followed prayer by Pastor Noel McNeill of the Full Gospel Lighthouse.

The address was delivered by the Rev. John Smith of Lakeside Baptist Church. The speaker, who no doubt realized that the arctic breezes blowing up from the lake were making those present quite uncomfortable, gave his message in a very few minutes, but gave all present plenty to ponder over.

The address was followed by the singing of "O God Our Help In Ages Past" accompanied by the band. Then came the benediction and the National Anthem. The Legionaires and band marched back to their temporary quarters.

Deer Checking Stations Set Up

Deer checking stations were in operation last week end at Burleigh Falls, Kinmount and Norland.

Kenneth Irizawa is in charge of the Burleigh Falls station located on Highway 28. Senior conservation officer Percy Swanson is at Kinmount and Raymond Simpson at Norland.

About 200 deer were aged by conservation officers at the Norland deer checking station during the week end.

The information sought at the checking points is to assist in "aging" the herds and establishing their composition. The officers ask permission of hunters before they pry open the mouths of deer to determine the age of each animal from its teeth.

The officers are also checking hunters licences and looking for other possible infractions of the game laws.

Idiot At Large

Since our last week's article appeared in the Echo regarding the behaviour of Hallowe'en hoodlums we learn of one more act of destruction.

It appears that one of the nurses had her car parked near the hospital. The car is a convertable with a canvas top. Some idiot took a knife and slashed the roof of the car from end to end in two places.

October 31, 1964 should be the date of a wholesale clean-up on the gangs from different sections of the county who converge on Haliburton and join some of the local element in the destruction of property belonging to others.

Important Meeting

The annual meeting of the Haliburton Highlands Chamber of Commerce will take place at the Haliburton high school Tuesday, Nov. 19 at 8 p.m. sharp.

In looking over the agenda we look for a most interesting meeting at which we will learn of the various activities and just what has been accomplished during the past year. The nominating committee will have a slate of officers to be submitted for your approval and further nominations from the floor will be accepted.

Also on display will be the Highlands of Haliburton tartan and finished articles made from same.

The past year has been a good one in the highlands, but this is no time for complacency. We must continuously strive to further advertise the highlands as a pleasant spot in which to spend that summer vacation and a good place in which to live.

Your attendance at this meeting and support of the chamber of commerce will do much to keep this area to the fore in '64.

Hunting Notes

Deer hunting in the Minden area has been fairly good, but not as successful as in previous years, according to many hunters.

Hunters in the Tory Hill and Whitney areas blame their lack of success on wolves. They say that wolf tracks are numerous.

The Harwood Hunt Club which operates in the Tory Hill area, had nine hunters and only shot one deer last week.

Percy Bolender of Haliburton and his party of eight shot six deer in the first week of the hunt.

Highland Highlights

During the past summer many complaints have been heard regarding the condition of Highway 35 from Carnarvon to Dorset. We understand that the Dept. of Highways are contemplating doing five miles per year on this section of road. However many feel that the traffic this section of highway has to bear warrants more speedy action.

We have learned there is a strong possibility of businessmen in Haliburton approaching the 1964 council regarding the installation of a sewage system in the village. Some time ago a public meeting was held in Haliburton with officials of the Ontario Water Resources Commission and it looked as if some move would be made in this direction. So far nothing has transpired. This matter has been shoved under the carpet too long and if this village is to move forward action must be taken. A man told me the other day that Minden would have sewage before Haliburon. Well I would hate to bet they wouldn't.

Hydro users in many parts of the area will be without electric power on Wednesday, Nov. 20 from 3 to 5 a.m., weather permitting, according to a notice on our classified page. This will not affect too many as it will just mean a two hour cut-off in the night. Our electric clocks will have to be adjusted but other than that very little inconvenience will be experienced. Necessary repairs make this action necessary.

Sunday Nov. 24 will mark the 25th anniversary of the opening of St. Anthony's Roman Catholic Church in Haliburton. This place of worship, when built in 1938, was much smaller than tne present church. Additions made since then provide for the seating of 200 worshippers. A high mass will be held at 4 p.m. to mark the occasion.

Large Wolf Shot

Wolves are at large in Haliburton county and they are not the two-legged type. Two citizens who have been hunting for years informed us that on two different occasions last week they heard wolves howling.

On Tuesday morning of this week a large wolf was shot at Elmer Sawyer's hunting camp at Little Kennisis. Several more of these animals have been noticed but not at close enough range to hit with rifle fire.

We understand that some hunters have claimed wolves were so plentiful in the Tory Hill area, they are blamed for the scarcity of deer in that locality.

Deer Habitat Improvement Bearing Fruit

The "deer habitat" improvement project commenced in 1962 by the Dept. of Lands and Forests will likely again be concentrated in Hindon township, Jas. Waddell, management forester said on Friday.

A decision has not been reached regarding location where the work will be done, but it is expected to be in the Minden area.

The program is designed to increase the "carrying capacity" of deer yards, the maximum number of deer the "yard" can adequately sustain and shelter during a prolonged period of deep snow.

Last year's work was undertaken about 12 miles northwest of Minden and included treating of the browsed species of trees upon which deer normally feed and which had been browsed to become out of reach for the deer.

Official Opening Monday Night

The artificial ice is in at the Haliburton curling rink and the club is ready to open the 1963-64 season.

The official opening is slated for this Monday night when the men's schedule will get under way. The rinks will be drawn up at a meeting this Sunday.

Members of town council and the community centres board have been invited to attend the official opening.

Members of the Haliburton curling club have worked and planned for a long time for artificial ice. On Monday night they will see a dream come true.

Weather Report

While much cooler weather is forecast, temperatures in the Highlands of Haliburton continue to be away above normal. The high for last week was on Saturday when the temperature rose to 57 degrees. Minimum was 38 degrees. Total rainfall .66 inches. No snow was measured over that period of time.

Correction—

In last week's issue under "What Minden Council Did" it stated that council had requested the Ontario Municipal Board to approve the expenditure of $160,000 for a new municipal building. This should have read $60,000.

Snowdon Council

The regular meeting of Snowdon council was held with the reeve and all members present.

The minutes of the last meeting were read and discussed, then moved by Gerald Hicks, seconded by Fred Jones, that they be adopted as read. Carried.

Moved by Gerald Hicks, seconded by Wm. Procter, that the municipality take necessary procedure to give public access to township property on Canning Lake. Carried.

Moved by Jean Jennings, seconded by Fred Jones, that the clerk write to Mr. Sim regarding the Minden road requesting his department to assume the road from Highway 519 to the Minden boundary as a development road. Carried.

Moved by Gerald Hicks, seconded by Fred Jones, that the proposed peddlars' licence fee remain at $100. Carried.

Moved by Wm. Procter, seconded by Jean Jennings, that we notify Mr. Mark Vasey when the township is ready for insurance estimates. Carried.

Moved by Jean Jennings, seconded by Gerald Hicks, that the election appointments be made as follows:

Polling subdivision 1, Furnace Falls school house, DRO Fred Inglie, poll clerk, Mrs. Margaret Kylie.

Subdivision 2, town hall, Gelert, Victor Martin DRO, Mrs. Dorothy McElwain poll clerk.

Subdivision 3, Orange hall, Lochlin, DRO Cecil Burk, poll clerk, Mrs. Dave Burke.

Remunerations will be $10 for DRO and $8 for poll clerks. Carried.

Moved by Jean Jennings, seconded by Wm. Procter, that hydro contracts for Valdermars Grava and Archibald Donaldson be approved, also a telephone contract for Ron Little. Carried.

Moved by Fred Jones, seconded by Jean Jennings that bills in the amount of $2,062.08 be paid Carried.

Moved by Gerald Hicks, seconded by Wm. Procter, that the road account amounting to $12,146.69 be paid. Carried.

Moved by Wm. Procter, seconded by Fred Jones, that this meeting be adjourned until Friday, December 13 at 7 p.m.

Battles Moose With Wheel Wrench

Pete Miscio's hunting camp in Hindon township must have some brave hunters. One member of the party was walking from the camp to his car, a mile and a half away, for a trip to the dentist.

When he arrived at the car he was approached by a bull moose. He had a gun with him and only six shells. After six shots he finally dropped the moose, wounding it.

The hunter ran to his car, grabbed the wheel wrench and kept the moose on the ground with several severe blows to the head. He called for help to his party who were hunting some distance away. Carl Miscio heard the commotion from his camp and ran over a mile to the rescue. Carl immediately shot the wounded moose and the struggle was over.

Not many people would take such a risk with a wheel wrench and a wounded moose.

Couple Celebrate 25th Anniversary

A large crowd attended a surprise party at the home of Mr. and Mrs. Harold Elstone on Saturday evening in honor of the silver wedding anniversary of Mr. and Mrs. Everett Burk.

A very enjoyable dance was held in the recreation room. Music was supplied by Messrs. Bowron, Gill and Swinson. Cards also were played all evening.

Everett and Marvis received many lovely, useful gifts, including a generous sum of money from relatives and friends. Best wishes is extended to the couple.

SHOOTS 241 LB. BUCK

Ross Packard, 15, son of Mr. and Mrs. Russell Packard of R.R. 2, Minden, went hunting this week for the first time. On Monday he shot a 241 pound buck, much to the surprise of himself and the rest of the party.

The buck was shot at Frieze Lake between Kennisis and Madawaska lakes.

ROTARY NEWS

This week local Rotarians join with those in almost 130 countries in observing Rotary Foundation Fellowship Week. Established by Rotary international the foundation fellowship is designed to provide funds for young men and women to further their education in foreign countries. The results of this program are manifold. It furthers education. It increases understanding among nationalities. In some measure perhaps, it furthers man's chance of peace.

Usually the local Rotary club raises some of its contribution through "the million dollar meal." This means that the members pay the usual weekly fee for their meal but end up with an economical dish of sandwiches. The profit realized is sent to Rotary international for the foundation. One Rotary publication claims that "more than 10,000 young people are sent abroad each year for study or vacations under Rotary sponsorship."

This year however, because of visiting Rotarian hunters, the "million dollar meal" will be observed a week later than usual.

GOODERHAM

Deer hunting has been quite profitable this year. A number of familiar faces with red caps or jackets are in the vicinity renewing acquaintances.

The Sunday school Christmas concert is underway. Mrs. J. J. Hunter is in charge of the program. The average attendance is between 60 and 65.

Mr. Willard Billings has been appointed reeve of Glamorgan township by acclamation. It is possible there may be a second nomination for councillors and trustees.

Mr. Albert MacDuff is home from the Minden hospital. Betty Lou Raby is back after a stay in a Toronto hospital. Mrs. Alice Hadley has returned to Hamilton from the Ross Memorial Hospital.

Mrs. Willard Billings is a patient in Ross Memorial Hospital. Mrs. Wm. Maxwell visited relatives in Oshawa.

Mr. and Mrs. Carl Sisson were visitors for a week's vacation at Toronto and Lindsay with relatives.

Rev. John Spillenaar, missionary from northern Canada, was a welcomed guest speaker at the Pentecostal church on Tuesday evening. An interesting film showing his aircraft and work done in the north among the Eskimos and Indians was shown. A bale was packed by the ladies to be distributed in northern Canada. Rev. Spillenaar, a brother-in-law of Frank Dewey, enjoyed hunting while in the vicinity.

Recent visitors from Peterboro Bible school were Rev. Morrison, Mr. Thorn and Mr. Harold Collins. The latter conducted the song service in the Pentecostal church on Sunday and will visit in the village and district with Rev. Thompson.

Youth rallies are held every Friday evening and are well attended.

The Women's Missionary Council was held on Thursday afternoon at the home of Mrs. A. Hunter with an attendance of 10.

On Saturday evening a miscellaneous shower was held in the basement of the United church in honor of Mrs. Murray Hunter (nee Wendy Riddell). Amidst pink and white decorations and a wishing well, the bride, assisted by Mrs. Joyce McColl and Mrs. Elgin MacDuff, opened the numerous gifts. The latter trimmed a hat with bows. The bride made a "thank you" speech.

Mrs. Joyce McColl conducted three contests in an excellent manner. The winners were Mrs. Phyllis Walls and Miss Susan Seed of Toronto. Delicious refreshments were served at the close of the evening.

Poppy day was observed on Saturday.

An effective remembrance service was conducted at the Gooderham cenotaph on Sunday afternoon at 2 p.m., sponsored by John McGrath branch 441, Royal Canadian Legion, Kinmount. The regular order of service was followed. Reeve Billings welcomed those present. Rev. T. Thompson gave a short address pertaining to "greater love hath no man than this that a man lay down his life for his friend," stressing the point that Jesus died for the world. This was followed by prayer. Comrade Austin read the names of those killed in World War I. There were no casualties in World War II in Glamorgan township Comrade Brown of Burnt River read a memoriam essay. Wreaths were placed by Mrs. Lorne Hunter, Mr. Holstock and Mr. Aubrey Maxwell. Two minutes silence was observed.

Congratulations to Mr. and Mrs. Allan Ross on the arrival of a young son at Peterboro hospital.

News Notes From The County

The Red & White store in Haliburton has been busy these past two weeks in storing the deer for the hunters. As space is limited Lance Easton had to turn some away.

Don Johnston of Haliburton is presently at home after an accident at work. He had his right hand cut in a fan at Walling's Dairy.

Quite a number of local citizens attended the Ice Capades held in Toronto last week.

We are glad to see Jack Lyons home again in Haliburton after spending some time in Sunnybrook hospital, Toronto.

Lindsay lawyers will strongly oppose any suggestions that a layman succeed R. I. Moore as magistrate for the counties of Victoria and Haliburton, it was disclosed last week.

At a recent meeting of the Lindsay Bar Assn. about 10 members unanimously resolved to submit a recommendation to the attorney general's department that the new magistrate be chosen from among the association members.

R. I. Moore stepped down from the bench last month after serving more than nine years as magistrate.

The CNIB canvass in Minden was very successful with more than $300 given in the two week's collection.

The district forest fire hazard has been lowered considierably with recent rains, Dept. of Lands and Forests officials report.

As a result of the high fire rating in the area, the fire season, which normally lasts until October 31 was extended to November 11.

A TB chest clinic will be held at the Minden Red Cross hospital on Thursday, Nov. 21 from 1 to 3.30 p.m. We ask the residents of Haliburton county to make use of this service.

The Haliburton Highlands Chamber of Commerce, sole distributors of the tartan, put yardage on sale this week and articles will be available before Christmas. Retails outlets are now being established throughout the county.

The Haliburton mixed couples curling club will hold its annual meeting at the curling rink this Saturday at 7.30 p.m. Regular and new members are invited to plan the winter's curling activities.

Verne Graham of Minden has been appointed Haliburton County representative for the Ontario Motor League.

The hunters' ball was held at the Golden Slipper Friday night last.

The Haliburton Highlands Chamber of Commerce will be holding their annual meeting at the county high school on Tuesday, Nov. 19 at 8 p.m. sharp.

The UCW of the Haliburton United Church met Monday, Nov. 4 in the church hall and stuffed seals and appeal letters for the Haliburton County TB & Health Assn. Christmas seal campaign. Many hands make light work, and the association is grateful for this fine support. A delicious lunch was provided by the UCW ladies.

On Monday several ladies from the district of Gooderham attended open house at Peterboro Bible College where Miss Sharon Hunter is a student. They were Mrs. A. Hunter and Mrs. Ronald Hunter of Gooderham and Mrs. Preston Scott of Lindsay.

More than 75,000 people attended the Lindsay Central Exhibition this year, manager N. G. Wilson report. Mr. Wilson said this total included several thousand children who attended free of charge on Children's Day.

Clarence McInerney of Minden who teaches at the Haliburton County District High School has been elected fire vice president of the district 22, Ontario Secondary Schol Teachers' Federation.

Many hunters seemed to have good luck on the first day of the hunt as some were seen heading home Monday night with deer atop their car.

Harry Johnson, past president of the Victoria county music festival said last Thursday the event is being revived after a one-year absence. Originally the festival was known as the Victoria and Haliburton music festival. When interest from the Haliburton area dwindled it became known as the Victoria county music festival. At one time it ran for five days, then was cut to four in 1961.

The student at the county high school are selling advertising for this year's school yearbook.

Linda Burke, Bob Burke, Andy Paul, Larry Burk, Keith Paul, Susan Sedgwick, Marilyn Paul and Linda Wagg gathered at Kenmar lodge Friday evening, Nov. 1 to fold seals and appeal letters for the Haliburton County TB and Health Assn. Christmas seal campaign. The association appreciates this help very much indeed. A sincere thanks for the lift to these fine young folk.

SUGAR and SPICE

By Bill Smiley

There's a new television series on the air that is giving me an inferiority complex about the size of a giant squid. Maybe you haven't see it, but it's called Mr. Novack, and it holds me breathless, and makes me wretched, for one hour every Sunday night.

It's a sort of Dr. Kildare with classroom and chalk dust and psychology instead of surgery and blood and psychology.

Mr. Novak is a blond, handsome, young, idealistic teacher of English in a high school. That's enough to flatten a balding, homely, middle aged, realistic teacher of English such as I before the opening commercial.

But it isn't this sort of thing that is eating away my self-confidence. It's the excitement of Mr. Novak's life that makes me feel like something the caretaker forgot to sweep out on Friday afternoon.

Every week, he gets involved in the damdest situations, and emerges smelling of violets and looking like John of Arc. And every week I get involved in the damdest situations and emerge. Barely.

Mr. Novak saunters through the halls of his school in his well-cut gray suit, buttering up the principal and looking dedicated. Mr. Smiley scuttles through the halls of his school, avoiding the principal, and looking harassed.

Every week, Mr. Novak tangles fearlessly with some impossible problem, and solves it. Every week, Mr. Smiley tangles fearfully with eight impossible problem, and by the time he's finished, he has 16 impossible problems and by the time he's finish-

In the last few weeks, Mr. Novak has outdone himself. He has squelched an outbreak of racial prejudice. He has caught a colleague cheating and forgiven him. He has encouraged a colleague with an alcoholic wife. He has pulled the principal out of hot water .

In the last few weeks, Mr. Smiley has undone himself. He has barely lived through an outbreak of the 'flu. He has caught a colleague trying to make off with his rubbers. He has encouraged a colleague with an alcoholic mother. He has got the principal in hot water.

You can see why this program makes me feel pretty insignificant. Mr. Novak leaps joyously from one crisis to another. Mr. Smiley totters desperately from one anti-climax to the next.

Take this week, for example. I'll bet you that right now, that Novak is rehearsing an episode in which he defies the school board on a matter of principal, solves a hairy personal problem for one of his students, and pulls the principal out of a nasty situation.

Right now, I'm trying to write a column. My wife is downstairs, teaching a piano lesson. My son is across the hall, practising the piano. My daughter is in the bathroom, roaring out the lines of her oral composition, which is to be delivered tomorrow, and waiting to pounce on me and make me hear it.

Five moments ago the phone rang. It was a colleague, wanting me to tape an interview for the Air Cadets. Tonight I have to go to night school, German, and haven't my homework done. After than I have to go out canvassing for the YMCA.

Tomorrow I have to help my students get the weekly newspaper column ready, give my son a driving lesson and get rid of the squirrels in the attic. Thursday I have a church board meeting. Friday there's a department meeting, followed by the Friday Afternoon Club meeting, followed by a blast from my wife for attending it.

Friday night, if I can shake off the 'flu by then, I have to go deer hunting for the week end. In the meantime, I have to arrange with MGM for a showing of the film Hamlet, and with O'Keefe Centre for a trip for 140 kids, four buses, to see My Fair Lady. Somewhere in there, I must mark 120 tests and eleventy-seven es says.

Gee, I wish I could just go around Sunday nights, looking dedicated, like Mr. Novak, instead of going around all the time looking desiccated, like Mr. Smiley.

THE ECHO — 5c per copy

Uncle Dudleys Column

The remembrance service at the church which I attend was very lovely.

The pastor took as his reading that beautiful portion of the vision of St. John the Divine as contained in Revelation 21, taking the gates of the City Four Square as his text.

To the hushed congregation, it would seem the souls of those gone west were with us. Richard, the oldest son of his family, Jimmy the twin, Art, Will, Eddie and Jack all seemed a part of the worshipping congregation and they were all young as they went from us. Truly "they never grow old" as we think of age. Their memory is ever with us and they speak to us in no uncertain sounds, reminding us of our duty to our nation and to our God.

Where does this duty lie? It seems to me every Christian soul should work and pray for the coming of that day of universal peace, promised in the last days at the second coming of our Lord.

Even in the closing verse of chapter 21 John writes: "He who testifieth those things sayeth 'I come quickly'." Amen.

I close with the old salutation "God be with you."

EDITORIAL

For Children's Sake

THE CHRISTMAS SEALS from our tuberculosis association have arrived. Over the years the variety has been such that we now look with lively curiosity to see the theme for the current year.

First we saw wise men kneeling, their faces toward the Virgin and Child. It was a little startling to see along the row what was unmistakably Jack and Jill before the spill. Then we realized that the seals represented floats in a Santa Claus parade and that the tiny figures along the bottom were children watching.

The artist has assembled an array of characters to make a child's eye dance and to bring a wave of nostalgia over a grown-up. There is tradition's most athletic cow clearing the moon while the cat fiddles. Peter Peter Pumpkin Eater has his wife where he wants her and looks pleased about it. And there's the Old Woman Who Lived in a Shoe—which is an original solution to the housing problem. Mary is on her way to school trailed by her affectionate lambs and Red Riding Hood must have looked to the end of the story bebause she is not afraid of the wolf. A swan is the coach for one fairy queen and another rides an elephant. Santa and his reindeer fly through the air with the greatest of ease.

A great many people are involved in making the world of song and story real to children in a parade. We want them to get the full flavor of it while they can and we sigh that they will so soon get into the workaday world.

Could we not sigh less and improve the workaday world? How many accidents which blight life could be forestalled, how much illness prevented.

It is to provide funds for prevention of one illness, tuberculosis, that we are asked to buy TB Christmas seals. Among new cases of tuberculosis in Canada last year more than 650 were nine years or younger. More than half of these were four or under.

But they are not the only children over whom the shadow fell. There were 1,330 new cases aged somewhere between 20 and 34. This is the age group of parents with small children. That figure represents a great many homes where one or both parents were not home for Christmas.

Yet tuberculosis is preventable. Now is the time to share in prevention. Buy Christmas seals.

Library Service In Haliburton County

IT HAS COME to our attention recently that there is some discontent with the present standard of library service in this county. After surveying the situation we find only two libraries: one in Minden, the other in Haliburton.. Both are what is called association libraries—the most unecofiomical and inefficient method of library service. Neither can offer what is considered minimal adequate service to their townships. The other townships in the county have no service.

What can be done about this sorry situation? Mr. Roedde, the provincial director of the library service was a recent speaker at the Haliburton Rotary Club. We all agree that the Rotary club is made up of the progressive kind of men our county needs—and the kind of men who know a wise investment when they see one. After getting all of the facts from Mr. Roedde these men voted in favor of a "county public library." They also sent letters expressing their concern to the municipal and county councils.

What is a county public library? It is not a central library for the county. It does not need a central library building. Rather it is a system established at the county level by county council with an annual levy of 25 cents per capita. Upon notification of such a by-law the Province of Ontario gives an annual grant of over $8,000. With our population that means for every 25 cents raised we receive about $1 grant. Now both libraries function with much less than $1,000 per year between them.

A county system facilitates book circulation between libraries.. For example, instead of buying a certain book desired by a reader it could be borrowed from the Peterboro or Victoria library. A county library would establish service (by car, if nccessary) in such towns as West Guilford, Eagle Lake, Gooderham, Wilberforce and Carnarvon which now have absolutely no service.

What are your thoughts on this matter?

OBITUARY

GORDON LeROY LEMON

It is with sincere regret that we note the recent passing of a well-known and respected retired advertising man Gordon Lemon.

Born in Simcoe, Ont., of United Empire Loyalist stock, Gord started work with National Electrotype at 181 Richmond St. W., Toronto, presently Rapid Grip & Batten.

In 1919, following service in World War I, Gord joined Norris-Patterson Advertising agency. This agency was later absorbed by McLaren Advertising. His advertising interest was directed toward product and public fund-raising campaigns, and numbered among his customers were the City of Toronto, the Province of Ontario and the Canadian National Exhibition.

Along with his good friend, the late Elwood Hughes, general manager of the CNE, he organized and directed the first Wrigley marathon swim. One advertising campaign he produced for the CNE was adjudged best travel advertising of the year at an international competition held in Los Angeles.

Canadian SKF for three consecutive years, won the coveted Shepherd award with an advertising campaign that was created by Gord Lemon.

Mr. Lemon retired from Rapid Grip & Batten in April 1962. He spent his winters in Pompino Beach, Fla., and was an inhabitant of his Haliburton Highlands summer home "Nirvanna" which is an Indian name meaning "Paradise," located on Lake Kashagawigamog.

Few men in their lifetime can claim the breadth of respect and affection accorded Gord Lemon. He will be missed by his many friends and indeed by the business community collectively. Our sincere sympathy is extended to his wife and family.

Monarchs To Ice Hockey Team

At a public meeting held recently at the Minden recreation centre an executive was appointed to form an intermediate "C" hockey team in Minden.

Lyle McKnight has been elected president; Fred Cooper, manager; Irvin House, treasurer and Dave Sawyer, coach.

This year's edition of the Monarchs is expected to be very strong but the club have lost a few players and are looking for more to bolster the club.

As we go to press the Monarchs are trying to get into a regular league, otherwise they will play exhibition games and wait for a bye into the OHA playoffs.

Minden Monarchs May Join Muskoka League

Dave Sawyer, newly appointed coach of the Minden Monarchs, informed the Echo that they are lining up players for their fist workout.

The Monarchs are without a league at the present time but they have hopes of joining the Muskoka intermediate "C" OHA league. The loop would include Gravehurst, Bracebridge, Sundridge, Parry Sound, Huntsville and Minden.

The Monarchs are hoping to pick up four players from Haliburton to round out the squad. They may have to import a goalie and a defenceman.

Two Minden Boys Tryout With Lindsay Juniors

Paul Yearwood and Craig Gartshore of Minden are working out with the Lindsay junior C team. Both boys are showing plenty of class and should be a cinch to make the team.

The team held its first practice in Lindsay last Friday night. The club held two practices at Cannington in readiness for their first game tonight (Thursday) at Newmarket. The following evening they entertain Newmarket with game time at 9 p.m.

Head coach Gus Bodnar said 35 boys have registered for berths on the team and anyone wishink to try out is welcome to attend practice.

High School Sports

On October 21 some of the local athletes made a good showing for our high school in the Kawartha district cross country race held at Lakefield. The individual champions in the junior age limit who entered in the 1.7 mile race were: Rod Hendren of Lakefield, Brian Tice of P.C.V.S., Ron Wood of Adam Scott. The intermediate champions were Wayne Barnard of Kenner, Alec Allison of Port Hope, Terry Edgerton of P.C.V.S. The senior champions were John Reesor of Lindsay, Andy Smith of P.C.V.S. and Glen Fallis of Millbrook. The latter two age groups were contestants in a 2.9 miles distance race.

The first 10 finishers in each division represented the Kawartha district C.O.S.S.A. cross country championships held on October 28 in Oshawa. The first and second teams in each division also qualified.

The Haliburton high school curling club hope to begin curling again this year as early in December as possible.

Lakefield, Fenelon Falls and Haliburton high schools competed in the anual volleyball tournament. Lakefield and Fenelon Falls hold the senior and junior championships respectively.

While eating our lunch in the Lakefield cafeteria we heard a few remarks about its size and thought with new appreciation of our spacious new cafeteria in Haliburton.

Local Sport Briefs

Freddy Dart of Lindsay is a candidate for the varsity puck team at Michigan Tech.

Wren Blair is back in the news. After taking over the Oshawa Generals he was only on the bench for a few games when he was put out for a game after an argument with a referee.

The Wilberforce curling club are preparing for their third season of operation. The curlers out Wilberforce way are very enthusiastic and can hardly wait for the ice to be put in. Last season the club boasted a membership of over 60.

At a recent meeting of the Ontario Minor Hockey Assn. held in Toronto they once again made it a rule that all minor hockey players must wear helmets.

If you have a sport item you you like to see published in this paper, just drop a line to the Haliburton County Echo.

Gary Vasey is back teaching school in Bradford and he is playing hockey with the Bradford Expressmen.

Local hockey clubs will soon be wondering where to go for practice on artificial ice. The teams this season can choose between Lindsay, Cannington and Bobcaygeon.

Be a good sport and buy Christmas seals.

Will The Huskies Operate This Season?

Every year about this time rumors are circulated to the effect that the Haliburton Huskies won't be operating—but each year the Huskies come up with a team to the delight of local fans.

This year is no exception, and rumors are flying again. Up to this point a meeting of the hockey club has not been called.

With Scottie LaRue back in Haliburton and most of last year's team still around the feeling is that the Huskies could ice a good contender. We are hoping that they could get back in the OHA and play in a league with the Minden Monarchs.

Facts On Animals

by Rod Lahay

HORSES—Part 4

Horses have very sharp eyesight and their eyes are placed so that the slightest motion in the distance or at the side is instantly noticed by them. For example a large object such as a car passing on the road, which is a familiar object, will not bother your horse, but a leaf blowing on the side of the road may startle him.

A horse also has keen hearing. You may notice when standing on a hillside overlooking the country a horse will prick up his ears and listen to a moving object which is unnoticeable to you. Always learn to recognize this attractive alertness, and you will know if any other animals are present.

You will want to keep your horse well groomed and comfortably clean.

Start at the head and work towards the rear, first using a stiff brush called a dandy brush. This removes all the mud and visible dirt. As you work toward the rear, keep your left hand on the horse's shoulder. When you come to the legs and fetlocks, stand facing the horse and let your brush travel evening down the leg. This will prevent you from being kicked.

A rubber curry comb used with a circular motion will bring embedded dirt to the surface.

The mane can be untagled with a mane comb. You can pull as hard as needed as there are no nerves at the roots of this hair.

Always keep your horse correctly shod. Hoofs grow as do toenails and he should be reshod every four weeks. The shoeing must be done by an expert. If the shoes are put on wrong the horse may develop a limp.

The word "horse" is used for all sexes and ages, but you will want to be more accurate.

A female horse is called a mare. A gelding is a male horse which has been castrated. The majority of male riding horses are geldings. This is so because stallions—males which have not been operated on—can breed and are usually tempermental. They are also harder to control than geldings. They will fight with each other and will be unruly around mares in heat.

A colt is a young male horse, so called until he is four years old.

A filly is a young female horse so called for the first four years, then she will be called a mare.

The best possible way to get accustomed to the words and to everything about horses is to be around them as much as possible.

Next week: First aid for ponies and horses.
